

HANSEN-HUSKEY '52

DEDICATION

We are dedicating this annual to one of the most understanding teachers who has ever come to Hansen High School . . . Mrs. Fern Prior.

She has taught every one of the Hansen High School students at least once or twice during grade school or high school. If any of the pupils have personal problems they have gone to Mrs. Prior. Through her understanding ways she has helped students overcome their social and educational difficulties.

Although she has a full schedule both at school and at home, Mrs. Prior has never let it hold her back from performing her duties.

Many of us know Mrs. Prior as a personal friend as well as a teacher. When we have questions to ask or troubles to solve we go to Mrs. Prior, knowing she will keep everything we say a secret. During the past few years she has sponsored Junior and Senior class plays, annual, student council, and Senior class. She is always in there fighting for what is right.

Twelve years ago thirty little first graders started school in Hansen. Some new students came and some left. As the years went by the class became smaller . . . The class ended its year with fifteen students—Barbara Jones, Mina Lea Miller, Elaine McFarland, June Bennett, Bob Miller, Jerry Mushlitz, Keith Somerville are the only seven students left out of the original thirty . . . The Senior Class have had a wonderful dance, a very successful cake walk and a hilarious class play. Many other events enlivened the school year.

We present to you the Juniors . . . The Junior Class has tried to live up to the standards set by other Junior Classes . . . With a successful Junior Class Play, *Girl Shy*, and a very successful Junior Prom, the Juniors were just rolling in money.

The Junior Class will always remember the parties that they had. The sleigh ride party, with a chile supper following will be long remembered by everyone . . . This year we will not have a Junior Sneak—but wait until the end of the year. We'll have something even better.

The Juniors regret to say that they have only one year left in high school. We are going to make the most of it and we will always remember our good times and close companionship.

We, the Sophomores are now getting accustomed to high school. Last year we were admitted as "Scared Freshmen."

We are living up to the standards of the Sophomores. We put on the Sweetheart Ball this year. The theme song for the dance was "*Let's Be Sweethearts Again.*" It was one of the most beautifully decorated and one of the most successful dances of the year.

We are still looking forward to the following years in high school. We hope they will be as enjoyable as the past two years.

Isn't it a great feeling to be in high school instead of being a grade schooler? It was the greatest feeling on the night of eighth grade graduation to be able to say "We are in high school."

We have had a great deal of fun as a group and being freshmen. We are really looking forward to our next three years at Hansen. No, we haven't had the opportunity to sponsor a dance or present a play yet but we will next year.

We, the freshmen, owe a great deal to our class sponsor, Mr. Bellon, for all that he has done for us. He has really been a wonderful sponsor.

The organization held their initiation in March. During the day at school the boys were paddled and wore burlap sacks. They wore their costumes to the dance which was held that night. . . One of the greatest tributes that our team received this year was when one of our games was cited as one of the ten top sports events of the year, to quote the Times-News, "Greatest Comeback." The Huskies, short on men, experience and talent absorbed several beatings early in the season, but kept plugging away until they scored a 12-7 win over Castleford to knock the Wolves out of contention for the "Magic Valley Class B Conference Title." This was brought about, in part, by the fine coaching of Jerry Bellon.

VARSITY

BACK ROW, left to right—Coach Bellon, Jerry Mushlitz, Art Stockman. MIDDLE ROW—Leonard Daw, Bob Miller, Art Prior, LaMar Morrison, Roy Smith. FRONT ROW—Lynn Westenskow, Chet Prior, Jerry Pidcock, Donald Stever.

Though our team played no spectacular games or made a string of wins we are proud of their efforts. It is to them that this page is dedicated. May they play the game of life as honestly and as wholeheartedly as they played the game of basketball. Jerry Mushlitz, LaMar Morrison, and Bob Miller were high point men throughout the season. We wish to give credit to Keith Somerville, another Senior we are losing, for rounding out the team and adding much to the efficiency of our squad.

JUNIOR VARSITY

Our junior varsity did quite well this season. They show promise of great achievements to come. Most of the players on the Junior Varsity doubled as varsity players. They were hampered by a lack of manpower and height but despite all hardships they always gave the crowd a good show.

Mr. Hubbard and the Shop

In years before, the boys from H.H.S., who were interested in becoming great craftsmen, attended Kimberly for their shop classes. This year, with Mr. Hubbard as their teacher, the boys were able to have their own shop here at Hansen. This is another way in which our school has grown bigger and better.

Our Janitor

A streak of light, a whirl of dust; papers flying out the windows! Who is behind all of this? Orie Simpson, the janitor of H.H.S.

His helper is Mr. Thorne. Thanks to their efficient administration of brooms and dust mops the halls of Hansen High are always kept clean.

LUNCH ROOM

Stale bread, ptomaine dressing, short rations, mouldy soup, week-old salads and sour milk. Do we have this for dinner? Why no! We have the HOT LUNCH PROGRAM, sponsored by the Hansen P.T.A. Mrs. Gerald Stanger is chairman. . . Something great has been added to the kitchen—a brand new steam table that saves time for the cooks. . . The chief cooks are Mrs. Dutt and Mrs. Scott. Their helpers are Shirley Matthews and Ruby Johnson. . . During Mrs. Dutt's illness, she was missed by everyone, but was replaced by her daughter, Marietta.

In our language work we have worked out a unit on trains . . . We were read stories about trains, and saw some films on the different kinds of trains and the different kinds of work they do for us. . . We made a trip to Twin Falls by school bus and came back to Hansen on the train—the Galloping Goose. To finish our unit we made a miniature train in our room. . . As several of the children had never ridden on a train we felt it was a valuable as well as an enjoyable experience for us.

"What a change within us" one short year had made! In number we started with twenty-four. . . . The Second Grade was proud to have parts in the Primary Operetta, "Merry Old Soul" and in our choral singing and reading pageant at Christmas. Making an Eskimo display and booklet with stories, pictures and rhymes has been most interesting and fun. Our trip to the airport and ride on a train was a thrilling day for all of us. . . . With all of our learning from our books we are trying to grow to be good citizens of our school and country.

This fall we took an interesting trip to the Cooperative Creamery. We learned a lot about cheese and ice cream. Also we visited KVMV radio station where we heard our own voices recorded in a song. We hope to take some more trips before the year is over. . . . We have had Mrs. Wells for our music teacher and have learned some very nice songs.
